/ WORK EXPERIENCE

>> Front End Developer

Infozzle Software Solutions Pvt. Ltd. | AUG 2021 to Present

- Designed and developed custom websites tailored to the specific needs of over 50 clients.
- Partnered with the UX/UI team to deliver pixel-perfect designs, enhancing user experience and ensuring brand uniformity.
- Verified cross-browser and multi-device compatibility, achieving a 99% success rate.
- Applied SEO best practices during site development to improve visibility and search rankings.
- Engineered and integrated payment gateways into eCommerce platforms.
- Instituted security protocols, including SSL encryption and secure password management, to safeguard client data and prevent breaches.
- Conducted daily code maintenance, resolved bugs, and addressed client concerns efficiently.
- Employed agile methodologies to streamline development workflows.
- Provided comprehensive user support by training clients, answering inquiries, and offering ongoing assistance.
- Guided and mentored junior developers, offering tailored coaching and feedback to help them grow professionally.
- Consistently met tight deadlines and delivered projects within the set timeframe.

>> Junior Web Developer

Perfect Web Solutions | OCT 2020 to JUL 2021

- Built websites using HTML, CSS, JavaScript, and jQuery to deliver dynamic and responsive user interfaces.
- Created wireframes, sitemaps, and content inventories to guide the design and structure of new websites.
- Preserved website functionality and performance through PHP-based backend development.
- Managed diverse responsibilities and adapted to multiple roles to consistently meet deadlines and organizational goals.

>> Trainee Web Developer

Axioned | JAN 2020 to APR 2020

- Designed and developed optimized landing pages using HTML and CSS, ensuring seamless integration and cross-browser compatibility.
- Utilized industry-standard coding practices to create efficient site layouts and intuitive user interfaces.
- Participated in professional development programs to enhance skills and stay updated with the latest technologies.
